

Short Report - ICC'21 Cognitive Radio and AI-Enabled Networks Symposium

Prof. Qiang Ni

14th December 2020

- **Symposium Co-Chairs:**
 - Qiang Ni, Lancaster University, UK
 - Minghua Xia, Sun Yat-sen University, China
- **Number of Submissions:**
 - 52 papers submitted to ICC2021 CRAIEN.
 - 55 submissions for ICC2020, 66 submissions for GLOBECOM2020.
 - Slightly reduced submission number for ICC2021.
- **TPC Members and Review Process:**
 - 83 members
 - Each TPC member received at most 5 papers for handling the review process.
 - For each assigned paper, each TPC will be responsible to ensure only ONE review (either by him/herself or delegated to someone else).

- **Remarks:**

- Influenced by COVID-19.

- About 70% of the submissions are related to AI, DL, RL topics.

Thanks for your attention!!
